

Francisco Javier Bernal Cabra

Junior Full-Stack Developer

✉ francisbernal14@gmail.com ☎ 622091164 📅 14/05/1995
📍 Málaga, Spain 🇪🇸 Spanish 🔗 LinkedIn 🐙 Github 🖱 Website

Experienced in front-end and back-end, using Javascript and React as main technologies. 2 years of experience mixing personal projects, sporadic jobs and self-taught training. I left my last job unrelated to the sector to finish refining my learning. Currently looking for a position as Junior Developer.

📁 Projects

25-5 Pomodoro App [↗](#)

Created with React using class components, timer functions and sound effects.

Drum Pad Machine [↗](#)

Created with React using state, props and playing with DOM, eventListeners and sound effects.

Random Quote Machine [↗](#)

Get random quotes fetching an external API.

Discover much more on my website

📅 Related Experience

Self-employed Worker

2018

Web developer using WordPress and HTML/CSS/JS. SEO jobs and hosting management.

📖 General Education

C.F.G.S. administration and finance, I.E.S. Mare Nostrum

2013 – 2015 | Málaga, Spain
